Greetings from our President

Hello ladies, It's hard to believe that the dogs days of summer are upon us and our kick off membership drive is just a month away. I am very excited to see how hard our new board has been working to put together a

fun filled, fantastic year for you. I recently read a good message about women that went something like this. "Women need other women. They always do. It's a special bond. It is like no other. Our circle, our posse, our tribe, our girlfriends. They become more and more important as we grow older. As time and nature works their changes and their mysteries upon a woman, girlfriends are the mainstays of our life." My friends bless my life! The world wouldn't be the same without them, and neither would I. So for

the new-comer to the long-timers hold on to your knickers ladies as we get ready to share some experiences together, make new friends, create memories, and chart new paths! Sincerely, Vickie Faulstich President

BREAST CANCER
AWARENESS MONTH

Couples Bunko, Happy Hours and Single Ladies Events

COUPLES BUNKO

We're looking forward to a fun year with BUNKO. There are changes on the horizon that need to be noted, it will now be held on the 3rd Tuesday of each month with an earlier start time of 5 pm.

We're scheduling some new venues in hopes of better service and quieter surroundings. Easier said than done but we're trying our best. Watch for our Evites starting in October and we look forward to seeing everyone!

HAPPY HOUR

Happy Hour started a new tradition this year and continued on thru the summer! It was well received and well attend-

ed! It is summer and we did have warm temps but everyone came out and enjoyed our lakeside bars that we are so lucky to have.

We also look forward to getting back in the swing of the normal season. We have our line up for this year almost complete, just a few more things to firm up. We should have it ready for print by kick off on September 15 so everyone can get it on their calendars ahead of time.

Watch for our Evites! As for all of our events that require restaurant staffing, the sooner you can RSVP the better. We give our venues the numbers 5-7 days ahead of time so they

can schedule their servers to best accommodate us!

SINGLES LADIES DINING OUT

Single Ladies Dining Out continued through the summer and did well. We will continue to use the first Saturday of the month with the exception of September, which will be held on September 10 due to the Labor Day holiday the weekend before.

Watch for our Evites for our restaurant selections! The selections are made each month for the following month so come out, enjoy some great company and conversation, and put in your ideas for restaurants you would like to visit. Maybe some of you will have some fun new ideas of places to try!

What is Newcomers/Longtimers?

Newcomers/Longtimers was chartered in 1965 by a group of enterprising women. Each year N/L supports the community and many of its local charities through scholarships and fund-raising events, like the annual Home Tour, now in it's 23rd year, and community awareness activities.

Each month N/L hosts a luncheon that includes a variety of programs designed to interest, inform, and entertain. Each month the group meets for a ladies FUN game of bunco. Once a month, ladies and their spouses or a friend also meet for an evening of bunco. These are held at various venues throughout the area. If you are a movie-goer, you can attend a movie followed by dinner with some ladies you will meet. N/L also have a book club, and our famous Happy Hour each month, which is for socializing and enjoying a cocktail. N/L also have a Dining Out event each month at some very nice restaurants in the area. This is for yourself and your spouse or a friend. You can also come by yourself. Single ladies are always welcome!! There is also a single ladies dining-out. They meet once a month on a Saturday night. You can also enjoy a wonderful game of cards and games each month, if cards are your interest. Sometimes we even have special trips. I don't want to forget Diners, Dives, and Drive-ins. We go somewhere in the N/L area ,organized by one of our members, who has already sampled the food. We might even have a SURPRISE for entertainment!!

The best part, you can attend one or all of the activities that are of interest to you and fits into your schedule.

Most events are for ladies only, but as you can tell, husbands or significant others, are included in some.
