

Complex steeply pitched gable roofline, beefy columns clad in stone, a rough-hewn stone foundation with a cedar shingle clad siding is reminiscent of the exterior architectural elements found on the homes at Cape Cod or Nantucket.

With lake views a priority, the backyard entertaining area, complete with a grunite pool and multiple outdoor decks, give guests room to spread out to enjoy the stunning views of the main channel year round.

Since the home comfortably sleeps eighteen to twenty, the kitchen, with professional grade appliances is extra efficient to handle super-sized appetites as well as short-order-style meals.
